Citrus, Citrus, Citrus How good it is!!

Now is the time to make that final push to get those orders for these delectable fruits!!!

This year promises a good crop and a better opportunity to help our Foundation! This has become an additional source of funds for our club's community and international efforts. You are encouraged to reach out to your friends and neighbors. The citrus can be a great holiday business gift.

This year the case price will be \$27.00 each for oranges and grapefruit. We are still using the Indian River grower who has provided excellent product for years. This year the citrus will arrive on Friday, December 8, 2006. Pick up will be on December 8th and 9th. Complete details will be provided to each member this week. Additional information available on our website:

From Sandy Artisuk-Lynch

I just wanted to thank all those who showed up to dig and plant prior to the rain on Friday afternoon:

Dan Davidson, Charlotte Ogorek, Bob Mau, Chelle O'Connell, Steve Shermerhorn, Rick Libner, Claudia Vignola, John VandenBrink and Juliana Maller

Friday we planted bulbs to emerge this coming spring. We hope to have a "DUTCH" outing at ROTARY Park in May, 2007, to see all the beauty we've planted in full bloom. Our previous spring planting was in April, 2006, at which time we planted perennials.

Our matching grant from the district will be complete when the Park District installs 2 Rotary Benches in our park, hopefully, within the next two weeks.

We have a lot to be proud of. Thanks to everyone's support!

...and finally - **Something to occupy your thoughts!!**
